“ *Johanna, I am shocked and saddened to hear of Guenter's passing. We so enjoyed knowing him and you. We remember having dinner at Albert's in Cazenovia a few years ago with you both and the time you showed us your beautiful house. How I wish Guenter had built us one too. He was a wonderful man, and will be so missed. The last time he was here to install a ceiling fan he left his flashlight very high on a beam; I just managed to get it down and will save it for you. Everytime I looked up on that beam I thought of him. My thoughts are with you all.*

“ *Though I didn't know Guenter personally, I do know how lovingly Sue and Walt cherish the Bauer family love and support. From all that I've heard, Guenter was a lovely man and his spirit will be with those he touched forever. My thoughts are with the Bauer family and all their many friends.*

“ Guenter was a wonderful friend and mentor. I have known him since I was in my early teens. He always had time to be a teacher in his profession and on a personal level. I can find comfort in the memories that are as enduring as his professional work. It was an honor to know him. My prayers are with his family.

“ We first met Guenter in the early to mid 70s. We initially were impressed with his craftsmanship and dedication to doing the job correctly. We were fortunate to become friends early on and to begin to understand the warmth and character of Guenter. He was a wonderful caring man, dedicated to his family and also to his friends. We will miss him. May God bless Johanna and her children.
