“ *John and Family -"Harriette" - a neighbor who touched my heart! She was a strong, determined woman and I so much admired her for that. She took so much pride in her gardens! She came to our wedding last year and at 93 was the "caboose" to the train dance. I have wonderful memories of her, her thoughtfulness, her smile, her touch, her hugs. She has a piece of my heart!! I love you Harriette. Keep Smiling!Carol & Tim*

“ John, and family, Though I have been away from Syracuse over 40 years, each time I saw your Mom, it was a special time. When I lost my folks, she was one of the people that could "greet" me and look directly into my heart. She was a sweetheart. Carl B.
