“ *All our birthdays have come, the holidays came and went; all without you. Now Mother's Day is near and I can't imagine how hard that is going to be. The hardest days have come and you weren't there to cry to. Time has passed so quickly and yet it seems it was only yesterday that it was your voice on the other end of the phone. I miss you so much.*

“ We always had admiration for such a wonderful strong willed lady. She was a wonderful neighbor for many years.

“ Ma"" Guido was like a second mother to me for many years. She had an infectious laugh, and a mischievous grin. She was a woman who fiercely loved her family, and couldn't have been prouder of them. I'm sorry to say that I lost contact with Ma many years ago, but she still held a very special place in my heart, and I thought of the entire Guido family often. I'm deeply saddened at the loss of this wonderful woman, and know that she has been reunited with her parents, whom she loved dearly, and spoke of many times. God bless ""Pa"", Linda, Donna, Mary, and Rosie. Know that Helen touched my life, and she will forever be in my heart. She loved you all!

“ Mom, my heart is breaking, the tears come in waves, and you knew in your last moments that we were all at your side and that we loved you always, no matter what. We know your pain has ended and that you are in a better place. I hope our presence made the journey a peaceful one. With Unending Love, Your Little Girl, Mary
