“ Mom, I miss you so much and this pain is so very hard to bear. We girls are remaining close just as you always wanted. When I was a child I never understood why you always said, I won't always be here so you girls had better get along and stay together. Mom, now I know why you always said that. For the very first time in my life I truly understand. Mom, from my very soul I thank you for my sisters. I never knew how much I'd need them both but I do now. Although nothing can replace your love mom, I still have Gert and Lorraine to hold on to. Mom when you talk with God, please ask him to heal my heart, this pain just hurts so bad. All my love.

“ Though I personally did not know Mrs. Tisdell and did not learn of her death until the evening of 1 May 05, I have known and very much come to respect her daughter, Gert. On the evening of 1 May 05, the very day after Mrs. Tisdell was laid to rest, Gert offered the invocation at the 4th Annual CNY Labor-Religion Coalition Dinner. She shared with those of us in attendance, the fact that she had just buried her Mom, and she dedicated this invocation to her Mom's memory. WOW! Gert proceeded to share with us the tremendous amount of love and admiration she had for her Mom and eloquently spoke of the loving environment, positive influence and nurturing guidance Mom had always provided to Gert and her sisters. I hope that Gert shares with her family and friends, the beautiful words that she offered that day, spoken from the heart and dedicated to a Mom she truly loved. My only regret is that I never got to meet Mrs. Tisdell. But knowing what I know now, it is clear that she was truly a very special person on this earth. My thoughts and prayers are with you all during this most difficult time. Please cherish the happy memories that you have and the knowledge that your Mom is now in a better place. May she rest in peace.

“ Gambi, I would like to thank you for being my Godmother, my friend, more than once (smile) my dictionary. Thank you for the baby pancakes and the perfect cubed homefries, no body can do them like you!. most of all I thank God for the opportunity to share our Lord and Savior Jesus Christ. I will cherish our conversation on the phone in March 05. We talked for hours. I thank you for support and your uplifting words in regards to me furthering my education in biblical college. I'm going to miss you dearly in the physical BUT in the spirit, I know scripture states that ""To be absent from the body is to be present with the Lord"". I ALWAYS LOVE YOU! So long for now until we meet again in the place our Savior has prepared for us. Love Ya, Janie.

“ Although I knew Ms. T for only a short time, her warmth and kindness were immediately evident. I will miss the talks we had around the dining room table, but I know that the goodness she created in the world will shine on in her children, grandchildren, and great grandchildren. Her hopes, her strength and her courage are her lasting gifts as well.
