“ Knew Henry a number of years through TPOC. We always enjoyed talking to him; he was always upbeat and laughing. Enjoyed hearing about the camp when it was first started and of his ilfe/trips to Germany. A great guy and we will miss him.

“ Henry was a frequent visitor to our home when I was growing up. I always remember Henry laughing and making jokes. He was always full of life. When I was him again at my mother's 70th birthday party, it surprised me that Henry had not seemed to age at all in the 20 years since I had seen him... and he was still joking and full of life. Henry will be missed by all.
