“ He was such a peaceful warm man. Always said hello whenever we passed. I shall miss him. We lived at the Brighton Towers. A joy to know!

“ For the short time I knew ""Horsey"" he always made me smile. I enjoyed talking to him and finding his chocolates for him either in his shirt pocket melting or in his dresser drawer. My thoughts are with his family which I knew he cared for dearly.

“ My grandfather meant the world to me. To pick just a few memories would be difficult. There are so many beautiful times I remember. Having my first cup of coffee. Spending the weekend an staying up late laughing and watching t.v,. My favorite memories though, have to be when I was pregnant with my first daughter, Chantel. My grandpa and grandma were so excited and supportive. They took me to all my doctor's appointments and were with me when I had my ultrasound, and found out I was having a girl. My little fluff ball they would call her. As my daughter grew, one of her favorite things to do was to go to grandpa and grandma Hunt's house. Bless grandpa's heart..Chantel just loved doing his hair. Grandpa would just sit there and just let her climb up and play beautician. I loved watching him play with her, it was so sweet and really warmed my heart. I love and miss my grandpa so much, and the reassurance that he is now with Jesus, and in the loving arms of my grandma and Aunt Dolly is the only thing that gives me peace. Thank you grandpa for loving me and my children. Thank you for being there whenever I needed you without hesitation. Thank you for being my grandpa.

“ Tod was my Uncle and I thought very highly of him. When my Children were younger he and Aunt Louise would visit Mom and Dad in altmar and always stopped to see us. My sister Shirley and I used to visit them both in Fayetteville. I remember the beautiful tulip tree in their back yard. I just feel bad that we lost contact after we moved to Virginia. I will always have fond memories of both of them.

“ *JoAnne and Joe, Bev, I and our husbands are so sorry to read of Uncle Todd's passing. He was a wonderful man. He is always remembered with love by all of us. He was so good to Aunt Louise. Their love endured SO much. When I was a teenager, I was with Mom and Dad, Aunt Louise and Uncle Todd at a restaurant. The song Peg of My Heart was being played. Seeing how much I liked the song, Uncle Todd asked me to dance with him. It is a special memory, I will always cherish. Bev and Jerry moved to Clarksville, Va about 15 years ago. Bill and I moved near them to Buffalo Junction, Va. about four years ago. Please know that even though we can not be at the services, you are in our prayers. The thought that Aunt Louise and Uncle Todd are together again in heaven softens our sorrow.*
