“ *Dear Kevin and family My deepest sympathy to all of you...it's pretty hard losing someone that you love so dearly and it's going to be rough but your mom is only physically gone and her spirit and love will always be with you. When times get tough, think of a memory and hopefully the sadness will go away. I don't think that you knew that she used to babysit for my mom and dad and she would bring her little record player and her "Elvis" records and play them for us. May the Creator give you the strength to get thru this rough time. Much love, Delores*
