“ *Tom Pawlewitz lit a candle in memory of James Hamilton Jr.*

“ *To all who knew & loved James, I have many memories of James and his sisters and parents coming to my mom's house for summer picnics. We would play football and softball and croquette. Later in life he worked at Delaware School as one of the evening custodians when I was teaching there. It was so nice reconnecting with him and reminiscing about our fun times growing up. From time to time our paths would cross and he was always so happy to see me and he'd tell me how those memories growing up were so much fun and how happy he was to have have those memories. My love and sympathies to all his family and friends. - Pat Campbell-Kochanek*
