“ Jim was always a bright spot whenever we stopped in at City Electric. We always sought him out if we needed something a little unusual. Jim always went the extra distance and always with a smile.

“ I am going to miss joking with you and watching movies you saw ""10"" times. The front porch in the summer will be lonely without your visits and I will miss picking on Mike and mom like we did when we ganged up on them. you meant more to me than you probably thought, when I called you dad, it was much more than a word. You were the best!!! Tell we meet again, Love Diane
