“ *Blood is always thicker than water. I have memories of Jamie my son I found time to go and see him. I can't change the past but I can remeber time I spent with Jamie. That's what I will always remeber about Jamie and the talks we had. I will remeber how he was good at understanding our relatেশip at a very young age. I dont know everything about him but I know he was a very smart young man. And if he would of had the chance to live longer everyone would see that he was just about to take his life to another level here on earth. I LOVE YOU SON FOREVER YOUR DAD.*

“ I would like to give my warmest thought's and love to all of the family and ""Jamie"" I am one of his friend's from Texas Roadhouse. I will speak for everyone there and let it be known that Jamie was a wonderful person and would do anything for anyone without even a question. Even though I didn't know him that well, I wanted to send my deepest sympathy to all,and my buddy Nilo! I am a mother of 2girls and I don't know what I would do if they were not here. So we should all do what Jamie said and ""keep our haeds high and help each other,"" we are all one! With all of my family's love, to all of you.....

“ *What really caught my attention and made me reply to this web page was the words in his obituary. All his family,love ones and friends I would like to send my sincere thoughts and prayers. But his statement in his obituary touched my heart ("keep your head high and help each other".) I have to keep reminding myself of that everyday.Just know that he is smiling down on you all. God bless...*
