“ *Many thanks for your thoughtful and tasteful handling of my grandmothers service. It was exactly as she would have wanted it.*

“ *My thoughts and prayers go out to Sue and Judy. I only wish I could have made the trip but I'd rather come later when we can spend more time together. I know how you will all miss her and I'm glad that she was able to be buried with my mother. The one good thought from all this is that she won't have to suffer any more. Love to you all, Penny and Rob*

Our thoughts and prayers go out to Mom and Aunt Sue and the rest of the family during this trying time. We just wanted Mom and Aunt Sue to know we will always be there for you.
