“ *Our deepest sympathies are with you all. I am so sorry this had to happen to you. When I was young and would see such young ones in the obituaries my mother used to tell me that God needed another Angel in heaven and that is what He has now because she was a little angel. My love to you all and my apologies for not attending but I had my granddaughter and did not think it was appropriate for her to be there. But my thoughts and prayers were with you through it all.*

“ There's so much I want to say and I have no idea how to say it. Jasalin is the most beautiful baby girl i've ever seen. She reminded me so much of Amanda from the second I first saw her, to the first time i heard her little laugh/scream. She is going to be missed so much, and loved forever. RIP Jasalin you'll be in our hearts forever.
