“ *Dear Shari, I'm so sorry for your pain. Your mom is in a better place. You were the best daughter she could have had. You were so deicated to her. You would always run from work to be with her. I remember several times you would take out time from your busy day to make sure she would get to her special events at Loretto. Have no regrets, she's smiling down on you all.*

“ I will always remember the ""Scott"" residence as my second home. When I was young, I would run down the path from my house at 4099 Sentinel Hgts Road to theirs @ 4100 and Mrs. Scott would always make me the best bologna sandwiches and then I would go to the couch. They would be watching soap operas and I would get the box of toys. I would play with the toy telephone for a bit and then I would always fall asleep on their couch. Mr. Scott would always say ""don't you have your own couch!"" Anyways it was my home away from home and she always made me feel welcome. I will miss her dearly! Rest in Peace Mrs. Scott.
