“ *Dear Pam and family, When I think of your Mom I think of the musicals she had such a hand in that just thrilled an elementary school boy and how I later was privileged to be in a few. I think of her adjusting her schedule to better fit mine so I could sing with the official chorus. I think of her teaching us well enough and being so enthusiastic about singing that it launched me into my college choir and musicals post-college each which brought me much joy. I am thankful she was my music teacher. Sincere condolences,*

“ I have many wonderful memories of Jean Suters. She was a wonderful neighbor, having grown up in the house next door and hosted many sleepovers and other fun times for us. She was a fantastic music teacher and made my appreciation of music in high school and beyond such a great experience. I have many wonderful memories of a woman who I have nothing but the highest esteem for. Pam, I give my condolences to you and yours at this time. I have many fun times we shared as kids and neighbors together to make me smile! Robin Moore Fiscoe
