“ *Mom, I will always be thinking of you and everything you have done for me. Due to the distance between us I haven't been able to be with you, especially in your later years & our only contact has been by phone, but my thoughts have always been with you, and always will be. Rest peacefully. I love you*

“ *You held me when I was a little baby but we never had the chance to hug each other when I had grown up. You never forgot a birthday or christmas or any occasion, and you always had a little something for your great grandchildren Michael and Gina-marie even though you never had the chance to meet them. We will miss you and hope you are at peace. We love you Grandma.*
