“ *Gertrud was a special lady and even though we did not have
ongoing contact with her, we cherish the memory of her take-charge
nature, especially in the farmhouse in Deruyter after the birth of her
great grandson Nicholas. Her authenticity will continue to inspire -
she will not be seen, but she will be near.
Although it is difficult today to see beyond the sorrow, she will leave
footprints in our hearts.
Our heart-felt sympathy,
Fred and Heidi*

“ Dearest Anne and Mark,
Jeanne will be missed by everyone who knew her - her generous spirit; no nonsense attitude and her ""never say never"" approach to life. No matter what life threw at her, she responded with strength and grace. When I needed her most, she was there for me: surrogate mother, older sister, close friend...family. I always joked with her that her first trip to her ""camp"" in Canada was my first sign of Spring - the great Sherman bird flying north. Fly onward, sweet soul.
