“ My condolences and prayers to the family of Jessie Wager. Jessie and my mother, Barbara Bush used to participate in league bowling back in the 80's. I used to see her at the IGA in Lafayette when I was home on leave and ask about my family. God bless her and her family.

“ Oh, so many memories. Working at the Country Club in Pompey when it was only a white building. You were my boss. I dusted chairs and vacuumed. You were there whenever I needed help with my family. There is that one night that you and I talked about not to long ago. Thanks for sharing it with me again. I will always remember when we would come and visit from CT when the kids were babies. The 1st things you would do would be to take off there socks and shoes and rub their feet and look for \"toe jam.\" We will never forget some \"Jessie Sayings\" \"Tables and counters are for glasses NOT asses.\" \"Get that lip in or a bird will poop on it\" I will truly miss your phone calls at 7 or 8 Oregon time and I would wonder what you were doing up so late. \"Took a nap and know I cannot sleep\" was always the answer. You always sent me wonderful pictures of the NY Fall Colors or the snow up to you know where. The one thing we will always share is the love we have for your son, my husband. I promise I will take care of him for ever. I am so sorry I could not give you one last hug in person. You will always be in my heart. Love, Jean.

“ *What a wonderful, lovely human being. She meant a lot to our family. Will dearly miss her and her laughter. She did so much for the Ontavia church and the functions that went on there. I especially remember for my grandmother's 90 th birthday- Alvira Rosenberg. Making sure the kitchen was under control. Only she could do it. What a blessing in our life to have known her. My heart goes out to her family for their loss. Debbie (Tracy) Burt.*
