“ We only wish we could be at Jack's funeral to celebrate the life of a great and humble man. I have know Jack since high school. He was always serving others. In his quiet way he gave to the town of Dewitt through coaching, officiating all kinds of sports, his work for the town, support Jamesville-Dewitt schools, and as a good person. He was a pillar of our community and represented what is good about us. Most of all Jack was a dear friend and comrade. I will miss him but he will always be in my heart. Truly truly Jack was one of the real good guys. If he is not in heaven , then no of us will make it. My prayers to Allice and the kids. Tom Muench
