“ *I will miss you, Uncle Jack. I'll miss your humor, your stories and your sparkling personality. You were always the "favorite uncle". You always used to say that you got tired of hearing, "Uncle Jack, Uncle Jack! But I know you really never got tired of hearing it. You always kidded me about biting you when I was 3 years old. I'll miss you...more than you know. I love you and look forward to being with you again in heaven...with you, Aunt Jane and Grandma! Meet me when I get there!*

“ We will miss Uncle Jack as we have missed Aunt Jane over the years. They were both very special people and touched our lives in many ways. They were always there when anybody needed help. We can only take solice in knowing they are reunited now. As Janet and we were saying, Aunt Jane probably said to him, "What took you so long!". We love you Uncle Jack.
