“ Dear Dan and Family, Kevin stopped over to advise us of the unfortunate passing of your father. Please accept our most sincere condolences of the staff at the Marina. The one positive outlook on this tragedy is the fact that you were with him as long as you were. I lost both parents when I was in my early 20's, so I never got a chance to know them as friends as well as parents. Please heal soon. Please stop by the Marina for a soda with us when you can. Again, our thoughts are with you and your family. Sincerely, Bay BossKRIMR
