“ Dear Diane,
I would like to express my condolences to you and your family. Although it has been many years since John and I were youngsters growing up on W. Ostrander Ave., I can remember the fun we had playing ball in the empty lot, having picnics in the summer and sledding in the winter and watching the World Series with his mother. These are some of my fondest childhood memories with John.

“ To the family and friends of John Hakes, John helped me move up the ladder here at Richlar. He was my supervisor for 3 years before I became one myself, and when he left here on medical disability, I was on of the people that kept some of his responsibilities. I learned a lot about this business from John, and he had forgotten more about our industry than I will ever know. He was one tough cookie (for sure), but fair... and no matter what, he always garnered respect from all of us here. He is one of the reasons that my family is doing as well as it is now, and I'm eternally grateful for that. Our deepest condolences from all of us here at Richlar, we sincerely wish the best to his family and friends during this time of your loss.
