“ Heartfelt condolences go out to Judi’s family and her best friend Joan.

My husband and I were schoolmates with Judi in the 50’s and early 60’s. Young Judi had a bubbly, outgoing, friendly personality. She was cute and had the best ponytail ever. I often thought that Disney should have signed her on as a Mouseketeer in the Mickey Mouse Club. She was popular and very active in school. Her athletic skills and enthusiastic spirit made her the perfect cheerleader.

It’s hard to talk about Judi without mentioning Joan. School friends often become past acquaintances because friendships fail to withstand time, distance, and the changes life brings. Lifelong friendships are rare, but such was Judi and Joan’s friendship. One has to be understanding, patient, a good listener, forgiving, and most of all, selfless to be the kind of friend who is always there through good times and dark days. Judi was there for Joan and Joan was there for Judi. It says a lot about who Judi was and what I will remember most. It’s her legacy.

“ So sorry to hear of Judis passing. I was in the Red Hat with her and she was always a ray of sunshine and smiles. She made us all little butterflies which I have glued to my mirror and window. My husband Jerome went to school with her and remembers her fondly. Rest in peace Judi. We always remember special people in our hearts.

“ *Judi left this life too early and I know her family and friends are incredibly sad. We are glad she isn't suffering, but what a loss. She was a great lady who could do anything and we all learned from her. She was a great listener too. I'll always remember her no- nonsense but funny Judi-ism sayings and great friendship.*

“ *I worked with Judi on a day to day basis at Optimer Photonics (OPI) from 2002 thru 2007. Judi was a cheerful, diligent and hard-working member of our team. Judi always made an extra effort to connect with all the members of our team and never let things slip. Judi knew how to have a laugh and made the day a pleasant one, even when we were super busy.*
Judi often spoke fondly of her roots in the Syracuse area, and we are glad she was among friends and family when ill-health struck. A person of such warmth and quality will be missed by all. Our condolences to those closest to Judi for such a profound loss. -
