“ *Hey Pops, Hi Mike - I am really very saddened by the loss of Judy, although I haven't seen her in some time she was like a mom to me, in particular in those times when I really needed help. My life is better and richer by knowing her, Pops, and of course my oldest of friends, Mike. I will always remember her in the prime of her life and her great spirit. I cannot make it back to the US in such short time, but please know that my love and affection for your family knows no distance.*

I only wish I lived closer so I could pay my respects. Hope you understand. Thanks for being a wonderful part of my life.*

Rest easy Aunt Judy.

“ *Mike,*

I am so sorry for the loss of your mom. I know too well how painful it is.

I will always remember your mom at softball games when your dad was coaching.

Also thinking of Patrick, Mark and Ryan who have lost someone so close to them.

Aleeah only had begun to meet her great-grandmother... but any time they shared will be precious.

Thinking of you and your family. Sending love and prayers!

“ Dear Carol, I didn't know Judy's husband, but I send my prayers to him and his family. I remember Judy when we were young and we used to laugh a lot. The last time I saw her was in 2000 when Oressa came to visit, it was so good to see her. I have a picture of all of us at Kirby's. I cannot attend the viewing, cause I have no car, but I send my blessings and prayers to you all. Judy was a wonderful person and friend. But she is at peace now and just so happy.

Much love
