“ *Lonnie, Grant and all of June's family,*

You have our deepest sympathy for the loss of your Mom. We have so many fond memories of her, I will miss our chats on the front steps in the evenings exchanging updates on our families and the news in the neighborhood. Donny's fondest memory is the huge block party, where we closed off both ends of the street and invited the whole neighborhood. June watched my kids grow up, and was there for all their firsts, their graduations, weddings, and the most recent my first granddaughter. She told me not that long ago, she was looking forward to watching Katie playing in the front, like she watched my kids when they were growing up. I know she's watching now from heaven. She was a good friend and I know how much she loved you all, she will be with you always in your hearts and all the great memories.

We are going to miss her so much. You guys will always be in our thoughts and prayers! Take care. Love to you.

“ Lonnie & Grant,
Sorry to read about your Mom. She and I worked together at Marble Farms when it had a store on the corner of W.Seneca Tnpk. & Midland Ave. June was the night manager, & I was the assistant night manager. I was new to the job, and she was very kind & supportive!
I even baby-sat for you guys a few times! But I doubt you would remember that. Again I'm very sorry, and all I can say is your Mom was a great lady & friend!
