“ *To Terri and Darcy- always know how proud you made your father. I can hear him now bragging about "his all-american" ... or telling one of his friends what smart wonderful mothers you are. To Julie- carry in your heart the love keith felt for you- He couldnt tell me enough "what a good woman you are" and the peace and happiness you brought to him.To all- family and friends were what made keith happiest. To sit and laugh, to share a drink and a laugh, or maybe a cookout and a laugh... I know he would want us all to cherish our families and friends and to find the humor and joy in life*
