“ To My Beloved Nephew, you will be well missed. My sisters and I will miss our Birthday calls, our Mothers' Day calls, our New Years calls etc... from you. Even though we may not have seen you for some time it did not matter because we heard from you on a regular. You hold a special place in our hearts because you were our first nephew and spent a lot of time with us especially your first two years of life. I'm going to leave you with your own words to us after ending every conversation "I Love You Take Care" SIP, your Aunt Lurene
