“ R.I.P. BROTHER Soar through the air let your spirit fly free, and with the catch of an angel this is where you want to be. You are lifted up with grace and taken high above, you are showered with peace and protection but most of all showered with love. For now you have no anger, no tears, fear or pain, these feelings you held are released and now happiness is all you will gain. So take their hands of freedom, your new life is not to fear, and remember we'll never forget you as your love will always be near.

“ May you have found that place where your soul is at peace. Love, Stacey (sister-in-law)Do not stand at my grave and weepI am not there, I do not sleepI am a 1,000 winds that blowI am the diamond glints on snowI am the sun on ripened grainI am the gentle autumn rainWhen you awaken in the morning's hushI am the swift uplifting rushOf quiet birds in circled lightI am the soft star that shines at nightDo not stand at my grave and cryI am not there; I did not die.
