“ To the Bowhall family,

My sincere condolences go out to all of you for the loss of Larry. He was a terrific guy and I have many great childhood memories of him and others from that neighborhood "south of Seneca" where I spent much time in my youth. I am thinking about Larry and others like Timmy Galvin today and happy to know they are in each others company now - in a very good place...

“ Larry was and is my best friend. Over the past 20 years he never turned his back on anyone who needed him, and I admired him for that. The best outdoorsman I ever knew personally with a natural gift with animals. “Good Time Larry” will be missed by many may he rest in peace.
