“ Dear Aunt Bobby, Debbie & Lori, I'm really sorry to hear about Uncle Lenny passing away and please know that our prayers and thoughts are with you. When my family and I were talking about Lenny we all fondly remembered his great sense of humor, how easy it was to talk with him, and the friendly, good-natured banter between him and my mom and dad. We all enjoyed him so much and have so many fond memories of being up to your place, the good food, your generosity, and the times our families were able to get together. He will be missed. With love, Mark

“ Lenny called on me when I was a young buyer around 1978 and many years after. I can't tell you how much I admired and respected him as a professional and a gentleman. He was just a wonderful man and I regret that I can not enjoy his company but just once more. My sympathy to the family as they indeed have suffered a loss.
