“ Dear Tish, John and Joe, I am so sorry for the loss of your mother. She was a wonderful and loving person. I will always remember the trials and tribulations she went through with our endless cooking concoctions, Billy Bohall in her shower on New Years Eve, and countless cups of tea at the kitchen table. Caz will never be the same. She was a second mother to me and I will hold her memory eternal.

“ Dear Tish, Joe, and all of Betty's family,

We are so sorry for the loss of your mom. She will always be in our hearts as a kind and loving lady who opened her home and camp to us like family. When you went to visit, you felt at home instantly, sitting around the table drinking tea or wine. She was so patient with all the kids, and I especially appreciate all the times she let Dave stay overnight with Matt & Brian.

We will miss Betty, and July 4 will not be the same without her.

We know she is with God now and that we will see her again some day.

Love, Marge & Tim & family
