“ Lila was one of the nicest people to come in contact with. She was kind-hearted, sincere, and a very gentle personality to all who interacted with her. I worked with Lila at OCPL at the Central Library in the late '80's and early 90's. Everyone knew Lila and enjoyed her sense of humor & company. She was a good supervisor and fun to work with. Her love of cats was part of her persona and she helped to find homes for many "homeless ones". May Lila rest in peace and know what a privilege it was to have been associated with her.
