“ *My condolences to the Antone family on their loss of a good man. I have known Louie over thirty years and had some good times laughing and drinking together. “ *My deepest sympathy to the Antone family,*

Louie always had a laugh and a smile for me (great jokes too). I had not seen him for some time as I'm stuck home most of the time fighting my battle with Lyme disease. I am deeply saddened by his loss. The world grows darker every time we lose someone like Louie. I pray every day and Louie will always have a place in my prayers.

“ To the family of Louie Antone ,Please accept my deepest condolences for your loss.
I meet Louie many years ago at the "garage" (scuba shop's hangout), and we became friends since then. As the years passed I would run into him (and Larry) at one off the clubs or at the bus terminal. He always had a smile and was very pleasant to talk with, and could always make you laugh.
Louie was a good and humble man. He will sadly be missed. I am deeply saddened by the loss that you and your family have encountered.
Again My deepest sympathies to the family.
