“ I didn't know Peggy but she sounds like a wonderful lady. Her sister, Mary Jane, is a long-time friend. I didn't see the original obituary, and so I wasn't able to join the family and offer my condolences in person; please accept them now.

“ Tutu...There will never be a day that you will not be in my thoughts, but the days will never be the same without you here. Knowing you are now with Papa is really the only thing that helps get through this, and I cant be selfish. I will miss our baking, as even after all these years of you showing me I still have not gotten the cookies quite like yours (And Lewis will sometime remind me of that). My love for you will be forever and always, Jenn Please give Papa a hug and kiss for me.
