Tribute Wall

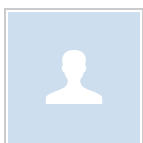

“ Peg was a dear friend of my grandmother, Gene Kilcoyne. I live behind my grandmother's house and recall your mom and aunt visiting Gram all the time. We would visit with my daughter, Anna, your mom loved her. I also recall your Dad and Mom visiting my grandparents when I was a child. Your Mom was a very intelligent person and a very kind person. I thought alot of her. I am sorry I couldn't make the services as I felt someone from the family should be there to pay our respects to you and your families. I remember Tim and Peg coming to my Grandmother's services and my Dad's service's, Dan Kilcoyne. My thoughts are with you at this time.

“ Dearest Grandma Peg, Memories of you and our times together will always be with me. There are so many little things that I will never forget, especially the way you danced at my wedding! Your intelligence, strength and faith have always inspired me, and I hope I have inherited a few of these traits... and not just the red hair! Everytime I look in the mirror I think of where my hair came from, and I think of you. I love you and will miss you, but I am so happy you are now with all of the loved ones you have missed for many years. Tell Pa Poo I love and miss him too! Your Grandaughter, Miss Prim

“ *To My Great Grandma, I am very sad that I never got the chance to meet you in person. My mommy has a picture of you in a frame that I look at every day. I know that you are in heaven and you will watch over me and protect me. That makes me feel very safe and loved. I am glad you are not sick anymore and that you can be happy and free again. I love you. Love, Ryan xoxo*
