“ What a delightful warm woman, I am pleased to have known her, Not as well now a days, As I have in past years. My Memories of Mrs. Abbott were that she always had a smile on her face and a song as she enjoyed playing the piano. Many of those days I long to have back but I know I never will but they will live in my memories forever. My heart breaks for her family, for I too have recently lost my mother but nothing can erase the memories. Sincerely, The Family of Mary & George McCarthy
