“ *When Marie was secretary to the Modern Languages Department at Onondaga Community College , I was the Chairperson. Without Marie this job would have been much harder for me. I have very fond memories of her, especially her cooking skills. The Department enjoyed having events for the language students and Marie often contributed to them. I still make many of the recipes which she passed on to us. Please know that I am thinking of you as you mourn her passing.*

“ I worked with Marie for many years at OCC. She left a lasting impression on everyone she met. I loved her "no nonsense" way of dealing with issues and her generous heart. She will be missed. You have my most sincere sympathy.

“ Marie was our devoted and wonderful secretary in the Department of Modern Languages at Onondaga Community College for many years. She was so good to all of us but we all also knew how very much she loved her family. She spoke often of you, frequently while displaying a new craft that she had undertaken for a family member. Marie was quick with a smile and always had a cheerful word, even when things were not going well in the department or at the college. I have never forgotten her and hope that the family will be sustained by your endearing memories of this special woman. With my sincerest sympathies on your loss, Mary Ellen Faughnan-Kenien

“ Thanksgiving Day 2016 :a day of mercy; we last held our mother: she taught us to love unconditionally, without limit, to forgive without hesitation, she taught us to give without counting cost, she showed us joy and caring for others. I am so thankful to have been given the time to provide her tender care, soft spoken words, and moments alone shared with our family; our souls are strengthened by you Mom and we will continue to honor you through our actions; you reside in us all. We love you. Toni, Tina, Tammi and Stanley.
