“ *Lynda and I will sadly miss our River Neighbor Marilyn. Whether she was Knitting, Crocheting or Reading, she never was too busy to say Hello. Marilyn is now in a better place. And that place is a beautiful river setting that she loved so much.*

“ *How could I ever list 40 years of memories? Mrs. Kociuba was a loving mother not only to Lynn and Mike, but to me as well. She always made me feel as if I were part of her family. Right from the beginning in Girl Scouts(Brownies), I was 8 years old.. the many sleepovers and dinners to our trailers in the Islands, walking the boardwalk in Atlantic City, The Phantom of the Opera bus trip....mmmmm her wonderful suffed cabbage, The 2:00am rescue in Pompey and talking me through a near dinner disaster at Thanksgiving. I will truly miss you, but the loving memories that I have, will live in my heart forever.*

“ I will miss Aunt Marilyn dearly. She was such a big part of my growing up in Syracuse. My favorite memories have always been her and my Mom sitting outside in the beautiful springtime nearly everyday with their glasses of iced tea talking about their day as us kids rode our bikes in Aunt Carolyn's driveway. I wish I could be there today for the Kociuba family for they are so dear to my heart. My prayers are with you and know that I love you all. Love Marie (Junior)

“ There never was a woman so kind or selfless as my Gramma. She always carried a smile on her face and was happy to see everyone. My favorite things about her were the way she kissed you hello and good bye with both hands pinching your checks together, and how when you left she always said "come again soon." I love you Gramma and will spend the rest of my life appreciating you and what you gave Lindsay and I every day. I'll love you forever and for always!
