“ *Bob, Bill, John and families, The Mahaneys all send theirsincere condolences on the death of the family matriarch. We got the news on Aug. 6th, in route to our first family reunion in 3 plus years, at Mike's 2nd home in Myrtle Beach, SC. Marion and Bob were always like our 2nd set of parents. We'll always cherish those days at Little League, Babe Ruth, and backyard hockey games. The days of good times in the Walsh pool and the basement boxing matches. When the day was over there was always great conversation in the kitchen including some of those off color favorite jokes only Marion could tell. We'll all miss her,she was the best. Tim, Mike, Kevin, Brian, Jim Mahaney*

“ Gram, I love you so very much and you will be missed dearly. I am deeply saddened by your passing, but at the same time I am at peace because I know you went straight to heaven to be reunited with Gramp and others. You are probably playing golf or making up for lost time with Gramp as I'm writing this. You and Gramp were saints who taught me much about life. You guys were always there for me and also many, many others whether they were family, friends, or even strangers. You were always honest, sincere, loving, spiritual, authentic, etc., etc., and especially family oriented. You were the most wonderful Grandma that I could have ever asked for. You and Gramp were just awesome people, and I have very fond memories of my life with the both of you. Rest in peace Gram. I love you and miss you soooooo much. Love always & forever, Your Grandson, Bobby

“ My deepest sympathies to the entire Walsh Family. There aren't enough kind words to describe Gram (as she asked me to call her). She always greeted me with a smile, humor and a genuine feeling of being welcome. I always felt at home around her and she treated me as if I was Bob's little brother. I have now doubt that there are two comfy recliners and a 60"" TV with a Yankee game on it in heaven right now.

“ To the Walsh Family, Marion was a special person to me. She treated me like one of her own(and your Dad did too!)The 17 years I lived next door to them were some of the best years of my life. We had many laughs, drinks and snacks together at the pool. I have nothing but happy memories of your Mom. It is comforting to know that she is back with your Dad and not suffering anymore. Do you think they played golf or a game of cards ?

When I feel sad, I will look to the sky, for I know there will always be one of your smiles there for me. Love eternally. Johnny
