“Markie, Hey I just wanted to say that EVERYONE misses you so much and no one know what to do with themselves. Not a day goes by that I dont go and light your candles and just hang out there with the girls for a while. When ever we pull up there Alana always says "those are all Markies' candles, all that stuff is markies'." She never leaves there without putting a couple new rocks there or like the other day she found a leather glove and gave that to you too. She also tells everyone that you are up in the STARS! Karalena asks questions all the time also, and tells everyone that you are up in heaven watching over her baby brother! Daidra is at the age that she understands what is going on, so she has just cried and says she misses you! We will NEVER let your memory go and we know you are watching over all of us. WE LOVE YOU AND MISS YOU! LOVE YOU ALWAYS AND A DAY, DANA, KARALENA, DAIDRA & ALANA

April 20, 2005 at 12:00 AM

“Mark, Not a day goes by that I don't think about you. The Alexis misses you so much, and Tyler keeps looking for you in the stars. I would give anything to hear you call me that nickname you and your sister called me, even though I hated it! I'm gonna miss making cinnamon rolls for you on Sundays before you and Josh go to play paintball. I still can't believe you're gone but I know that you're still with us and I think thats what gets us all through these days. Josh misses you so much, I don't know what he's gonna do without you. You broke a lot of hearts when you left us and we all will keep you forever in our memories. We love you Mark!!! Love, Lisa, Joshua, Alexis and Tyler

April 19, 2005 at 12:00 AM
