“ *The Getson Family was a large presence in my early years. I cannot think about Connie and Joyce without including their Mom. She may have been 91 but that face has not changed a bit. Connie, Joyce, and to all of your family, I am so sorry you have lost Mom. She was a good person and a friend to many. She will be missed but you have the memories. We all do. - Lynn Anderson Roberts*

“ *In the spring and summer Martha and I would walk out to the garden and look at the flowers and trees waking up from the winter. Each time we went out she was so surprised to see new flowers here or there popping up around the garden . We took pictures of the flowers and we each made a picture display for our apartments. We'd set in the swing and talk about our families. She liked playing games with her friends. When I first met Martha it was like we had been friends always. She was a wonderful friend to me. I will miss her.*
