Tribute Wall

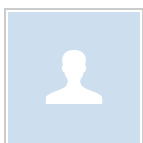

“ We would like to send our condolences to the Behm family. John & Isabelle "Belle" O'Brien lived across the street at 162 Everingham Rd back in the 50's, 60's and 70's. Belle died in 1978 & we sold the house in 1979. We periodically drive by the house, and on our last trip in Sept. or October, Margie mentioned the Behm's and wondered if anyone still lived in the neighborhood that we would have known. (We were thinking of you after all these years.) Belle had excellent neighbors and friends down there in the Everingham Rd area. Once again, we are very sorry for your loss and our condolences to Mrs. Behm's family and friends.

“ Aunt Angie loved her dogs! The one I remember best was a little beagle. And I know she loved it when Debbie brought her dog to visit at Lorretto. She was a special lady.
