*“ When I was 5 my kindergarten was at the top of a steep hill. Every afternoon I would sit at the top of the hill and cry because I was afraid to come down. Mother would send Katy to fetch me - she would kick me until I started moving - I didn't appreciate it at the time, but I am a stronger person*

*“ Katy Hamm was the best second mother to a girl that a girl could ever have. In my early years Katy told me I was too serious and sometimes I still think of her words. She was so kind to me as a child. She was always fun, sweet, and loving and taught me sarcasm, for which I am most grateful. She had an energy that was unmatched by any other. She will always be a part of my heart and I hope her daughters know I think of them as sisters, in a sweet sort of way. So ladies, please know your mom will be missed.*

“ Kim, Trish and Becky, So sorry to hear about your mom. I have many memories of her from when we were neighbors on Reidy Hill. The big Yankees/Red Sox rivalry, her little dog Tigger, all the neighborhood barbecues, snowmobiling, babysitting you guys. Did I ever tell you she helped me learn to drive? When I had my permit she used to let me drive her to the IGA. Almost everyday! I'm so sorry for your loss and I'm thinking of you. Laurie
