

Mary May Homer

August 15, 1959 - July 7, 2010

Mary May Madigan Homer, 50, life resident of The Valley in Syracuse, New York, left us to join her parents, Gilbert P. and Winifred Madigan, on Wednesday, July 7, 2010 after a sudden battle with cancer. She was at home with her family surrounding her. Mary was a graduate of Corcoran High School and CCBI. She was employed by Onondaga County Comptroller Office for 25 years. She will be loved and missed forever by her husband, John; her sister, Carrie Madigan; brothers, Gilbert S. and George E. (Cindy) Madigan; three nieces, Melissa, Kimberly and Mikayla; one nephew, Nathan and the rest of the Madigan Family; mother-in-law and father-in-law, Alice and Russell Homer; and the rest of the Homer Family. Mary unselfishly donated her body to SUNY Upstate Medical University. There will be no calling hours. A memorial service will be held Saturday, July 17th at 11:00 a.m. at Onondaga Valley Presbyterian Church, 275 W. Seneca Turnpike, Syracuse. Mary's family will receive friends after the service in the Community Room at the church. In lieu of flowers, contributions may be made to CNYSPCA or to any other local animal shelter.

“ John, hang in there. It must be so hard to go through the loss you are feeling but don't give up on yourself. Know in your heart Mary is with you and watching over you. She probably can't come talk to you because she is at peace. But believe she knows everything you are doing and writing to her. Make her proud by grieving her and keeping her memory alive. She loved life and I'm sure she would want you to try to make the best of the time you have left in your life. Someday you will meet again when it is your time. But you can't force your time to come because then you won't get to be with her. Your soul will get stuck here with unfinished business. Please, allow yourself to live even though it's lonely and very hard without the love of your life. Mary was a family woman and I believe she would appreciate it if you reached out to your family when you are lonely. We all love you and miss you and want to be hear for you to talk to or just to be with even if it is in silence. You don't have to go through this all alone. We miss her too and wish she could send a sign. I saw that beautiful butterfly again that you mentioned before. I like to believe that is her checking in, saying Hi. Please let come over and hang out with us or let us come see you again. The kids miss you and we'd love to see you. Don't give up, don't let the pain take over your life. You can get through it and I believe you will if you seek help or counseling. Love you lots! Heather

“ I loved growing up with Mary. She always included everyone as kids in everything that was going on in the neighborhood. The hangout was ""the fort"" in their backyard. Mary had rhythm and could dance as good as Michael Jackson, who she turned me on to. I remember Mary getting perms and having the best fro you could want. Somewhere Mary is dancing to ""Dancing Machine"". My sympathies to the family.

“ Carrie, John & Family,I worked with Mary throughout my years with Onondaga County- in Comptrollers, and then in Parks/Transportation. I always remember Mary's birthdate, as we were the same age. I am unable to attend the services for Mary, as my mother-in-law, Alyson's mother, is having her funeral/burial that morning also. I'll be there in my thoughts, and my prayers are with the family. Anthony.

“ To John, Carrie and family...I have worked with Mary for over 23 years.. We have shared personal issues, had some fun outside of work as well as got the work done.. I can safely say we talked at least 1 time per week if not many...hey someone had to keep her on her toes with work, ha ha ! My heart has been heavy ever since Mary told me she was sick. Such a strong woman to handle all that she has had to go through all these years. She is at peace now, no more fighting the pain.. Thank you Mary for being my friend all these years you wisdom and smile will be missed ! Hang in there family members...Carrie Breman (Comm Dev)

“ John, Gil, Carrie, George: I am so sorry...may all your wonderful memories of Mary comfort you. The Poorhouse dance floor in heaven finally has its premiere dancer! I will forever remember our great times and her killer dance moves, especially with John, the only guy who was a worthy partner for her! We should all aspire to emulate Mary's kind spirit. Love and peace to you during this difficult time.

“ Words cannot adequately express our sympathies to Mary's extended family and her many friends. Despite her many challenges in the past several years, she was one of the hardest working, most upbeat persons I have ever known. She told me a few weeks ago she missed working in her yard most of all. Mary, I hope there are flowers everywhere for you to tend now.
