“ *We walked the line many times and we laughed the whole way. We reminisced, we remembered those who have left us and we picked on those we were about to see. When some thought you were too quiet they had no idea what an amazing sense of humor you had. It has been great to catch up with you. You helped make that walk seem way too short.*

*Now you're walking a new line. Keep laughing. As the skies open up and the sun shines I know you go to laugh with all those we've spent the last couple years "remembering." I now add you to my of those I will remember...you will never be forgotten and you'll always be my Uncle Mike. Give "them all" a big hug from me.*
