“ *Mr and Mrs McCarthy, on behalf of Mark, Ruth, Liz, Sue, Brian and myself (Angela)(riders on the 410x Nedrow bus) we wanted to let you know how much we will miss Mike. We only heard of his passing today. He was part of our little group and he added many thoughtful ideas and funny comments to our discussions on the way home after a long day at work. He was a great friend. The Christmas Cactus he gave me for my 40th birthday is in full bloom right now and is beautiful.PS Please take care of his lizards for him - he cared for them a lot.*

“ Remembrances of Michael: Two years as inseparable teenage friends. Going to Michaels' home in the morning, finding him still in bed, getting an education in diabetes. Playing basketball in the summer, going fishing with the family at Otisco Lake, Valley Field Days. Watching Neil Armstrong take that "one small step" live on television from the McCarthy living room. Looking behind the piano for the cigarettes we had tossed there for later when we ran out. Learning to stand up for yourself, and to respect yourself as well as others. Experiencing an extended family, watching Michael's closeness to his brothers, sisters, parents and grandparents. Feeling like a member of the McCarthy family. Although we only spent a couple years as friends, until I moved from the neighborhood, Michael had an influence on me that continues today. I am sorry to hear of Michael's passing. Please accept my sympathy to the family. God bless Michael. Matt Brennan

“ I remember a family picnic/party out Marcellus way and seeing a whole slew of happy, smiling McCarthys with brilliant red hair piling out of the car to join that wonderful mob scene. I also remember Michael being particularly nice to his mother. I am so sorry for your loss. J. Brogan Santa Fe
