“ *Well, Millie, my mom who was a good friend of yours several years ago and who also worked with you passed in 2004. I have a photo of you two with a nurse on your break time. I met you and you actually took care of my tpy collie for me. You were always a happy and spirited and pleasant lady. I came across this obituary looking for someone else and when I saw you, I was saddened while surprised. May you families stay strong in your memory for you were a terrific person. Rest in peace dear one, with many blessings and say hello to mom (Ellen).*
