“ Nancy & Susan, I loved your Mom. She was always such fun to be around and was like a second Mother to me. I always had such fun at your house. Your Mom was the very BEST baker and I will never forget her raspberry pies that she made with your raspberries in the back yard. Her pie crust was perfection and her date cookies were unbelievable !! You were fortunate to have your mom for all of these years. May God Bless each of you and keep her memories alive in your hearts for years to come !!
