“ *Aunt Musette was one of our favorite aunts. My brother James and I enjoyed visiting the farm on a regular basis. She was a very hard worker and she loved cherry pie, her husband, children and grandchildren dearly. She lived a long, active and loving life! She will always have a special place in our hearts. “ *Loved my Aunt Musette. My Dad, her brother, would take us to the farm when I was young. What a great time we had. Meals were the greatest. So glad I got to visit her last October at Van Duyn. I will miss her. I pray for her children and others close to her at this time. May your memories of Musette be great ones. Now, Aunt Musette and Uncle Ed will be together. RIP.*

“ I knew of Musette from Van Duyn. She sat at the same table as my mother for lunch and dinner. She would visit the Gift Shop while I was working and was always looking for mugs and Irish things. Always told me she was born on Easter. Glad she got to celebrate one more birthday. May she rest in peace.

“ I worked at Van Duyn for almost three years and Musette was my BFF. When I had Gift Shoppe duties she would keep me company for hours. I knew all about Charles, the Dairy Farm and her family. I ran the Bible Study when Rev. Jane was on vacation and Musette always went. She was a positive woman with a strong faith and she was a true friend. Although I got a new job and haven't seen her for a year, her photo is on my bulletin board and I think of her daily. I will see you on the other side BFF, until then, look up my sister Cathy - who went to heaven March 12th. You two will really hit it off. I love you. Ellen (Ellen M. McCauley)

“ Such a gentle, sweet, giving person! I will always remember summer vacations with my sister, Marlene, spent at The Farm with Aunt Musette and Uncle Ed.
I love her and will always hold her in my heart.

“ I work in activities at Van Duyn, and Musette brightened my day each day that I've been here. She was such a kind, happy soul who just loved to be around people. I loved her stories, her smile and her zest for life. I will sure miss coming in every day and seeing her sitting at her favorite table, asking me "well, what are we going to do today?" But I know that she is happy to be with her husband. Rest easy Musette, I love you!

“ Oh how I loved Musette...forever known as "curly top", she made my job and my life an absolute joy. Peanut butter and jelly on whole wheat, St.Patrick's Day, Irish music, anything green or a mug will forever remind me of my girl from up north. Love you always. ...rest in peace with your husband Charles.
