“ Chantelle/Joseph my thoughts and prayers are with you! You have a beautiful baby boy and no matter what anyone says or does it does not take the pain away! In due time you will realize that he is in a better place and you will see him again one day! I am not going to say I know how your feeling but I do have the same pain in my heart, I lost two children my son was 4 1/2 months old when he passed, I was 7 1/2 months pregnant with my daughter when I lost her! Its been over a year since my son passed and the pain is still as strong! Don't let anyone tell you that you have to let your baby go! That is your child, a part of the two of you! Chantelle if you need to talk to anyone I am only a phone call away, Tricia has my number.
