“ *Ola, you were, and always will be in my heart. I will never forget all of the fun that we had together. I am a female, was it was so hard to make you see that, so I stopped trying. I remember when the ambulance technician was taking you out on the gearny, and you introduced me as your husband. We had some fun times together, and you will remain in my heart forever. Sincerely yours, Regina Cooper 700 E. Brighton Ave Fayhe 4Rm. 461 Syracuse, NY 13205*

“ i met ola during her time at loretto, where my mother is also a patient. she and i visited together often and just talked. she loved to try to recall her husband, brother and her days in the north country. of course like many of the patients, she couldn't wait to get home. i am saddened by her passing, even though during my visit last tues. i thought i saw it coming. she was always very cheery whenever i saw her and a real joy to visit with. i will miss our times together. god speed, ola
